Photocopying Materials in the Library

We allow students to photocopy for their personal use only. A reasonable number of copies are allowed; however, we recommend that you photocopy only the necessary amount. This is a service provided by the Library to support students in their studies.

Using Materials of Other Libraries

Following these guidelines will help ensure compliance with copyright laws.

1. There are restrictions on the use of item reproductions and copies of materials, and these restrictions apply to all users. Assistance may be required to confirm the restrictions applied to the used material.
2. We also provide materials for loan and to local libraries. Assistance may be required to confirm the restrictions applied to the used material.

For more information, please consult the Library's website or contact the Library staff.
