

2024 Agricultural Library

Recommended Book Project by Faculty and staff

# Please tell us! Recommended Books for Agricultural Students by Agricultural Professors

Until  
11/22

「A genuinely very interesting book📖」  
「The book that inspired me to do my current research📖」  
「Books I thought students should read📖」  
etc. It does not matter if it is related to the class or not!

This is a project to support the learning and growth of agricultural students by expanding their new world through [book recommendations from Agricultural professors].

We are looking forward to receiving many applications.
