

Announcement for over night users

Kita-Aobayama Library

1. Please respect our library's rules

- These activities are strictly prohibited in the library: taking foods and drinks, staying over night only for sleeping, taking books or journals out of library without checking out, entering or leaving library not through the entrance.
- Please come to the counter if you want to refer our rules in detail.

2. All the users have to leave the library for a while when we close the library (from Monday to Friday at 17:00 or 20:00). After that, re-entering is possible only for the users who belong to the faculty of Science or Pharmaceutical science.

3. All the users have to take a step necessary to confirm the number of user in the floor.

- The step is to put a magnet when entering or leaving the floor.
- When leaving the floor, confirm the magnet. If there is no user, switch off all the light of the floor.

4. People who don't respect our rules will be forbidden, for a certain period, taking a use at the time of closed.

- The period will be submitted to a library steering committee.

5. If we change the details our rules, it will be announced.
